## Professional Summary

Results-driven Python Developer with 5+ years of experience in building scalable applications, data-driven solutions, and automation tools. Adept at leveraging Python frameworks like Django and Flask, along with expertise in databases, cloud services, and DevOps. Passionate about writing clean, maintainable code and solving complex problems with innovative solutions.

## Technical Skills

- **Programming Languages:** Python, JavaScript
- **Frameworks & Libraries:** Django, Flask, FastAPI, NumPy, Pandas, TensorFlow
- **Databases:** PostgreSQL, MySQL, MongoDB, SQLite
- **Cloud & DevOps:** AWS, Docker, Kubernetes, CI/CD Pipelines
- **Version Control:** Git, GitHub, Bitbucket
- **Testing & Debugging:** PyTest, Selenium, Unit Testing
- **Other Tools:** RabbitMQ, Celery, Apache Kafka

## Work Experience

### Senior Python Developer | ABC Tech Solutions | 2021 – Present

- Developed RESTful APIs and web applications using Django and Flask, improving system efficiency by 30%
- Led a team of 5 developers in implementing CI/CD pipelines, reducing deployment time by 50%
- Designed scalable microservices architecture, enhancing product performance and reducing downtime
- Integrated machine learning algorithms using TensorFlow, optimizing data analysis capabilities
- Collaborated with cross-functional teams to design high-performance cloud-based solutions

### Python Developer | XYZ Software Ltd. | 2018 – 2021

- Built automation scripts to streamline business processes, reducing manual workload by 40%
- Developed backend systems for web applications, ensuring robust security and optimized databases
- Created data visualization dashboards using Pandas and Matplotlib to enhance reporting accuracy

- Maintained and optimized existing codebases, improving application speed and reliability

## Education

**Bachelor of Technology in Computer Science | University of Hyderabad | 2014 – 2018**

## Certifications

- AWS Certified Developer – Associate
- Python for Data Science & Machine Learning (Udemy)
- Certified Django Developer

## Projects

- **E-commerce Platform:** Developed a full-stack e-commerce website using Django and React, handling thousands of transactions daily.
- **Data Analytics Dashboard:** Designed a web-based analytics tool for real-time data processing using Pandas and Flask.
- **Automated Web Scraper:** Built a Python script using Scrapy and BeautifulSoup to collect industry-specific data for market research.

## Soft Skills

✓ Strong problem-solving abilities ✓ Excellent communication & teamwork skills ✓ Agile development & collaboration ✓ Continuous learning & adaptability

## Languages

- English (Fluent)
- Hindi (Proficient)
- Telugu (Native)
